

## Wireless Smoke Detector Hidden Camera with DVR and Quad LCD Monitor/Receiver

Features remote viewing via browser, iPhone or iPad and up to 32GB of on-board storage

The all-inclusive Wireless Smoke Detector Hidden Camera with DVR and Quad LCD Monitor/Receiver gives you a commanding view of the room and is ideal for wide range of covert surveillance applications. The easy to set up security solution enables you to connect, view and record video up to 4 cameras (with 1-4 camera views), at 640 x 480 video resolution @ 30fps per channel—and features remote viewing from your iPhone, iPad or web browser, with the included software and easy access web link. Other features include USB and RCA outputs, multiple recording modes (schedule motion, schedule continuous, panic), and convenient on-board storage with the ability to record video onto an SD card—up to 32GB.
